

Institute of Sheet Metal Engineering

## **EVENING PRESENTATION**

**18<sup>th</sup> July 2019**

Commencing at 6:30pm

**At Midland Power Press Services Limited,  
34 High Street, Princes End, Tipton, Dudley DY4 9HP**

### **HSG236 defined from Regulation 32 of PUWER**

by

Steve Garrett, Engineer Surveyor Power Press, Allianz Engineering

AN UPDATE on HSG236 Power Press maintenance and thorough examination. The presentation will highlight the importance and benefits of carrying out internal parts inspection, statutory reports, plus Non-destructive testing with press part samples and NDT demonstration.

This is an essential briefing for all users of Power Presses, from Management to Maintenance personnel, on the requirements to conform with current regulations; improve safety and improve preventative maintenance.

This ISME Evening Lecture is **FREE** to all who wish to attend.

*Refreshments will be served from 5:30pm*
